

Welcome to the second newsletter for SEND of 2025. This will continue to be issued every half-term to help keep parents informed, know who to speak to with concerns and stay up to date with our school. *Mrs Sarah Humpleby*

## Joint FEJS drop-ins

We are really pleased to be partnering with Fairfield Endowed Junior School, offering SEN drop-in workshops for parents. Please keep an eye out on Dojo to topics and dates. The next one, on 24th April, will be held at FINS and is looking at EHCPs: What are they and how can they help?

# NEUROHUB

We are delighted to be able to offer Workshops delivered by the Educational Psychology team, in partnership with Neurohub, Zink in Buxton. The topics will be shared on Dojo and our Facebook page. The first workshop, on 3rd April, is about the impact of anxiety on school attendance and engagement.

## Transition

We have been working with the Local Authority Engagement Team and Inclusion Support Advisory teacher to plan our enhanced SEN transition for children moving to Fairfield Endowed junior School (FEJS) in September. I will be in touch soon with more information, but am really hopeful that this project will make the change easier for our pupils and families.

If your child is moving to another school for Year 3 please keep in touch regarding visits etc so we can support them too.

## SEN Drop-in

The next drop-in will be on Thursday 3rd April at 9am. There is no need to sign up-just come along for a chat.

## Spotlight on after-school chats

We know that children are not always keen to talk to you about their day. Try these different questions to see if you get more of a response!

1. If you could swap seats with someone and sit next to someone else, who would it be? Why?
2. What was the best thing that happened today?
3. If you could change one thing about today, what would it be?
4. Did anyone in your class do something funny?
5. Can you show me something you learned today?
6. Who did you play with today? What did you play?
7. Tell me about 3 times today you used your pencil.
8. What was the hardest thing you had to do today?
9. If you could be the teacher tomorrow, what would you do?
10. Tell me something kind you did today.
11. What did you do today that made your brain work really hard?
12. Did you do anything that made your hands dirty?
13. Who did you sit next to at lunchtime?
14. What was the yummiest thing in your school dinner today?
15. What was the yuckiest thing?
16. Where's the best place to hang out at playtime?
17. Who thinks up the best games?
18. If you were the headteacher, what one rule would you make for all the children in your school?
