

School Newsletter

December 2025

The staff and children have worked really hard over the last few weeks to put on some fabulous Christmas shows. We hope you enjoyed watching them as much as we did.

Behaviour In School

We want to thank the vast majority of the children in our school for always following our code of conduct, which is RESPECT. The children do this by being ready to learn, listening, having good manners and working/playing with their friends.

We know that there are times when children can find parts of school life difficult - If you have any concerns or worries about anything, please speak to us first, so that we can work with you to address these.

Snow

In the event of snow, school will make every effort to open, even if we have to do a later start. We will let you know as soon as possible if it is safe for us to do so. Please look out for any messages, and make sure school has your most up-to-date contact numbers.

Please send your child in suitable warm clothing and wellington boots if the weather is wet or snowy.

Class Dojo

Dojo is a great way of keeping in touch with everything that is happening in your child's class and in school. Please continue to use it to send messages to the class teacher about anything that might affect your child throughout their day. Please be aware that teacher's can not respond to Dojo messages during the day. They will try and respond at lunchtime or after school. If you have any questions about any part of the school life, please contact the office first who will be happy to help and they will pass on any messages if needed.

Dates

School closed

or phone 01298 22441

to book your child's place

The Junior School have changed their name to St Peter's Church Of England (VC) Junior School. We will continue to work in partnership with them to provide the best transition for our children.

Look out for joint newsletters and events in the new year.
