Safer Internet day 12th February

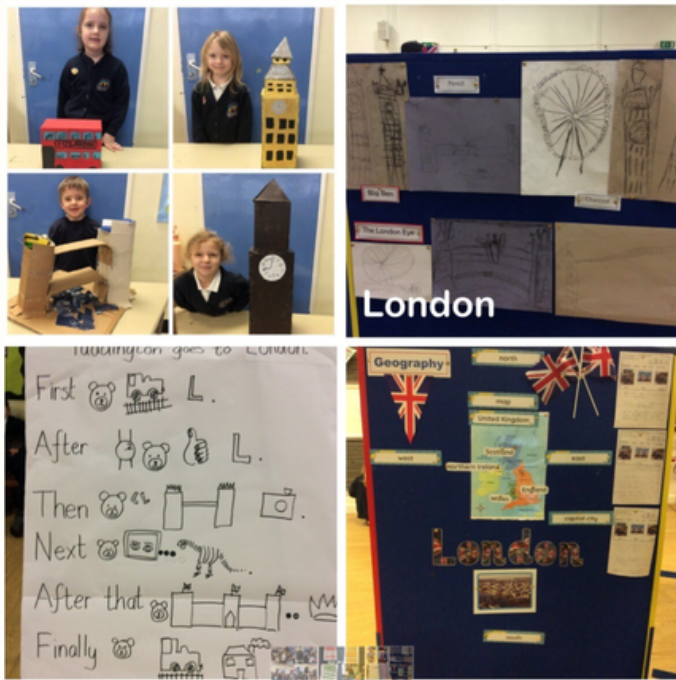

We spent the day learning how to use screens safely and positively. We learnt the mantra 'stop, close it and tell a grown-up' when we see something that worries, upsets or scares us on a screen. We made posters to inform others how to stay safe online and when using screens. We talked about safe ways to use the internet such as using the search engine 'squiggle' which is child friendly and making sure when using YouTube we use 'YouTube kids' to ensure the content is age appropriate.

RESPECT

Our code of conduct is RESPECT.

We celebrate positive behaviour in many ways, including Dojo points, certificates, and reward time. Please support us at home by helping your child understand the importance of showing respect in school and taking responsibility for their learning.

Last half term Paddington Bear helped the Foxes class learn all about London. They took part in drama workshops to travel to Peru and London. They excelled in creating London landmarks at home out of recycled materials and showing them off to peers and parents and enjoyed making marmalade sandwiches for Paddington!

Coach Marcus from Derbyshire Cricket Foundation has been in to work with children from Reception and Key Stage 1. The children have learnt different skills involved in cricket: catching, bowling, batting and fielding. They thoroughly enjoyed these sessions and we have been so proud of how well they participated. Buxton Cricket Club run an All Stars club in the summer months, which I will send out more information on next term, as many of the children showed a keen interest in cricket. Thanks, Miss Salt.
